Dear Middletown Township Residents:

Township staff was notified by Sunoco that ongoing geotechnical assessments and data collection on Valley Road has been completed. Pressure grouting of the core testing areas on Valley Road remains to fully complete the assessment process. Preparation for pressure grouting occurred during this week, and grouting could happen as soon as tomorrow (Friday, January 17, 2020) or early next week. Use of flaggers and restricted travel lanes will occur as approved by PennDOT.

Township staff will update its website with any new confirmed information at www.middletowndelcopa.gov/sunoco.

Sincerely,

Andrew S. Haines
Township Manager
