Dear Middletown Township Residents:

Township staff was notified by Sunoco that additional soil sampling may occur at the Glen Riddle Valve Station next week, as early as Monday, February 3, 2020. The potential soil sampling is related to the ongoing remediation and documentation from the November 11, 2019 gasoline leak.

Township staff will update its website with new information at [middletowndelcopa.gov/sunoco](http://middletowndelcopa.gov/sunoco) when available.

Sincerely,

Andrew S. Haines  
Township Manager
