Dear Middletown Township Residents:

Township staff was notified by Sunoco that Michels construction is 33% completed with the reaming process for HDD610, located at Granite Farms Estates/PA State Barracks/Route 1. According to Sunoco, construction is on pace for an end of February target to complete a pull back of the 20" pipe. A written request for 24/7 operations will be made to the Township prior to the start of the pipe pull back.

Sunoco further advised that a 4-hour water, pressure test of the 20" pipe will occur this Saturday, February 1, 2020. This integrity testing may create a high pitched, whistle sound during the testing.

Township staff will update its website with new information at middletowndelcopa.gov/sunoco when available.

Sincerely,

Andrew S. Haines
Township Manager
