January 31, 2019

Dear Middletown Township Residents:

Township staff was notified by Sunoco that injection pressure grouting is now complete on Valley Road. Staff was advised there were little "takers" (subsurface voids or pockets that would accept the grout), which demonstrated the flowable fill on November 18, 2019 filled the voids, according to Sunoco. The reporting of this data is not yet provided to the Township for independent review.

The Township awaits the reporting from Sunoco to provide to the Township's consultant, Geoscience, to provide an independent opinion on the findings. Township staff will update its website with any new confirmed information at www.middletowndelcopa.gov/sunoco.

Sincerely,

Andrew S. Haines
Township Manager
