Dear Middletown Township Residents:

Staff was advised by Sunoco representatives of two operational updates within the Township:

1. Mobilization and drill casing installation started at HDD631, also known as the Gun Club segment. This process could take up to 10-days, after which drilling activities would start.
2. Mobilization has started on the 8" pipeline off Darlington Road, with maintenance work to start once access to site is established.

All activities will occur during normal operating hours, which is 7:00am – 9:00pm Monday – Saturday.

Township staff will update its website with confirmed information at [middletowndelcopa.gov/sunoco](http://middletowndelcopa.gov/sunoco).

Sincerely,

Andrew S. Haines  
Township Manager
