March 13, 2020

Dear Middletown Township Residents:

Staff was advised by Sunoco representatives of two operational updates within the Township:

1. Mobilization and drill casing installation continues at HDD631, also known as the Gun Club segment, on the Middletown Township side of the drill. Michels continues to drill from the Aston Township side where the pending Middletown drill will meet/intersect. The overall segment pilot drilling is 27% completed from the Aston Township side.
2. Mobilization continues for the 8" pipeline off Darlington Road, with maintenance work to start once access to site is established.

All activities will occur during normal operating hours, which is 7:00am – 9:00pm Monday – Saturday.

Township staff will update its website with confirmed information at middletowndelcopa.gov/sunoco.

Sincerely,

Andrew S. Haines
Township Manager
