Re: Mowing and Side Trimming
Property Location: Glen Riddle Road, Middletown Township, Delaware County, PA

Dear Property Owner,

Sunoco Pipeline L.P., a wholly owned subsidiary of Energy Transfer, ("Sunoco") operates and maintains a facility at the end of Glen Riddle Road in Glen Riddle, PA.

As part of maintaining safe and reliable access to our pipeline system and facilities, Sunoco administers a right of way maintenance program. Periodically, it is necessary to clear the right of way and access roads of overhanging limbs, brush and undergrowth that interfere with the access to and operations of the pipeline. The above-referenced location has been identified as one, which may be involved with our project and, as such, this letter is serving to provide you advance notice of the upcoming work.

Sunoco's scheduled start date will be on or about September 30, 2024; however, due to weather conditions and other unforeseen circumstances, Sunoco cannot be sure when the team will arrive. It would be appreciated if you would pass on this information regarding right of way maintenance to any tenant, so they are aware of our plans. Sunoco appreciates your cooperation while our crews are in your area.

This work is part of our efforts to operate and access our pipeline and facilities in a safe and responsible manner.

Thank you in advance for your cooperation and patience as we perform this necessary maintenance. In the interim, should you have any questions, please do not hesitate to call me at 610-670-3290 or email me at susan.erickson@energytransfer.com.

Regards,

Sue Erickson

Sr. Representative - Land & Right of Way
