RE: ETP/Sunoco/ Michels Update: Forge Rd and Valley Rd Lane Restriction

Sunoco/Michels used a drill on Forge to bore two holes to investigate a difference in data collected by the below ground monitoring plan required by the Township. Public Safety remains a priority of the Township. No issues were found. Michels grouted both holes, installed a temporary steel plate and will provide temporary asphalt before permanent restoration. Lane restriction has been lifted.

Sincerely,

John McMullan
Township Manager
