The Township has been notified that Sunoco's contractor, Michels, will be running "cleaning pigs" from Riddlewood Drive to Glen Riddle Junction through the completed 20-inch pipeline segment today, June 9, 2021. There will be some activity at the worksite near the junction. In addition, air from the cleaning pig will need to be exhausted at the Riddlewood Drive worksite and there will be some noise associated with the air exhaustion. It is expected to be very short in duration. All adjacent landowners are currently being notified of the expected activity.
