

Elwyn to Wawa Service Update

August 26, 2022

SEPTA service began on August 21st from the Wawa Station, and trains will be running at normal operating speeds of approximately 45 MPH along the length of the line and through the grade crossing at Lenni Road.

All residents, motorists, and pedestrians are reminded to *“Make the Safe Choice”* and stay out of the track area and stop at grade crossings.

Video of the Lenni Road grade crossing in operation is available at the following link [Lenni Road Grade Crossing](#). More information on grade crossing safety and the FRA Train Horn Rule to review is available [Here](#).
