

Dear Neighbor,

Dec. 03, 2020

I wanted to advise you that Energy Transfer operations personnel will be conducting planned maintenance activity at the Glen Riddle Junction valve site in Middletown Township, located near Martins Lane. Tomorrow, December 4th during the day, there will be increased activity at this site. There will be noise emanating from the site as we complete this maintenance work.

Any noticeable activity is being managed by trained and qualified personnel under controlled conditions.

If you have any questions about this maintenance work, please contact our community hotline at (855) 430-4491

Sincerely,
Joseph Massaro
